KOTZEBUE COMMERCIAL SALMON FISHING OPENING

Commercial salmon fishing will be open for 3 hours from the hours of 6 p.m. Friday, August 17 until 9 p.m. Friday, August 17.

Fishermen are reminded to check with Great Pacific if the buyer needs to shorten the hours they will buy fish because of limited capacity or airline schedules.

During last night's 3 hour fishing period 17 permit holders caught 2,051 chum salmon. Catches and fishing effort were well below average because of weather. Cumulative catch is now over 214,000 chum salmon and should reach or exceed this season's forecast harvest of 250,000 to 280,000 chum salmon.

Chum salmon catches at the department test fish project on the Kobuk River at Kiana continue to be well above average with the cumulative catch index ranking 3rd best in the 20-year project history.

Continuing with short duration openings should not jeopardize escapement and allow for subsistence fishing opportunity.

If you have any questions concerning the fishery you can call the Kotzebue office at 442-3420, or the Commercial Fisheries office in Nome at 1-800-560-2271 or the buyer at 442-4192.
